Personal Information

Place and date of birth: Omu, Odogbolu LGA, Ogun State, Nigeria. March 29, 1959.
 Citizenship: Nigerian
 Sex and marital status: Male, Married.
 Spouse's Name: Prof. (Mrs.) Boguslawa Prucnal Ogunsote (Polish, Ph.D. Architecture).
 Children: Arc. Omotola Anna Ude nee Ogunsote (M.Sc. Architecture, Cracow
 University of Technology, Cracow, Poland).
 Bolanle Voitek Ogunsote (M.Sc. Student of Architecture, Cracow
 University of Technology, Cracow, Poland).
 International languages: Fluent in English, Polish and Yoruba. Some knowledge of Hausa, Ibo,
 German, Russian and French.
 Countries Visited: Austria, Benin Republic, Bulgaria, Cameroon, Ethiopia, Equatorial
 Guinea, France, Germany, Ghana, Greece, Italy, Kenya, Libya, Poland,
 Spain, Togo, Turkey, The Canaries Islands, The Netherlands, United
 Kingdom, United States of America.

Work History and Academic Positions

Employer	Position	Duration
University of Jos, Jos	Visiting Professor (Sabbat.)	2010 to date.
Etat Consulting Ltd.	ICT Consultant	2008 to date.
Triad Associates, Abuja	Consultant Architect	2007 to date.
Federal University of Technology, Yola	Visiting Professor	2005 to 2007.
Federal University of Technology, Akure	Full Professor	26Feb2003 to date.
Federal University of Technology, Akure	Associate Professor	2001 to 2003.
Multi-Systems Consultants, Kano	Senior Architect (Sabbat.)	1999- 2000.
Ahmadu Bello University, Zaria	Senior Lecturer	1998-2001.
Ahmadu Bello University, Zaria	Lecturer I	1992-1998.
Ahmadu Bello University, Zaria	Lecturer II	1988- 1992.
Ahmadu Bello University, Zaria	Assistant Lecturer	1985-1988.
Ahmadu Bello University, Zaria	Honorary Lecturer (NYSC)	1984-1985.
Modulor Group of Architects, Lagos	Site Assistant	July to Sep 1980.
Cocoa Industries Limited, Ikeja, Lagos	Assistant Analyst	June to Sep 1978.

Research and Training: I have directly participated in the training of over a thousand architects to M.Sc. Architecture and M.Tech. Architecture level. Supervisor to a few Ph.D. Architecture candidates, while one has defended. Supervised over a hundred M.Sc. Architecture and M.Tech. Architecture theses and over a hundred B.Sc. Architecture and B.Tech. Architecture theses.

Undergraduate teaching

AR 305	Climate and Design.
AR 403	Theory of Architecture III (Current Trends in Nigerian Architecture).
AR 509	Research Methods in Architecture.
AR 510	Air Conditioning and Lighting.
AR 597	Design Project I.
AR 598	Design Project II.
ARC 305	Environmental Control: Climate.
ARC 501	Advanced Design Studio.
ARC 507	Environmental Control III (Acoustics and Noise Control).
ARC 509	Independent Research Project II.
ARC 510	Building Law.
ARCH 201	Architectural Design.
ARCH 202	Architectural Design.
ARCH 225	Building Materials Science I.
ARCH 301	Architectural Design.
ARCH 302	Architectural Design.
ARCH 328	Introduction to Computer Aided Design.
ARCH 332	Building Materials Science II.
ARCH 333	Environmental Science I.
ARCH 401	Architectural Design.
ARCH 402	Architectural Design.
ARCH 422	Research Project.
ARCH 433	Environmental Science II.
ARCH 451	Research Methods.
ARCH 453	Computer Aided Design.
ARCH 462	Terminal Essay.

Postgraduate teaching

ARC 702	Architectural Design Project I (PGD).
ARC 801	Advanced Architectural Design - Life Project (M.Tech).
ARC 802	Advanced Design Studio Thesis I (M.Tech).
ARC 802	Advanced Design Studio Thesis II (M.Tech).
ARC 805	Research Methodology (M.Tech).
ARC 806	Design Economics and Cost Planning (M.Tech)..
ARC 810	Applied Climatology (M.Tech).
ARC 812	Design Seminar (M.Tech).
ARC 913	Environmental Studies (MPhil).
ARCH 601	Thesis Design (M.Sc.).
ARCH 602	Thesis Design (M.Sc.).
ARCH 603	Thesis Design (M.Sc.).
ARCH 604	Thesis Design (M.Sc.).
ARCH 605	Life Project (M.Sc.).

Education

School	Period	Qualification
Federal University of Tech., Akure	2009-date	M.Tech. (Civil/Structural Engineering) <u>in view.</u>
Ahmadu Bello University, Zaria	1990-1995	Master of Business Administration.
Ahmadu Bello University, Zaria	1985-1990	Doctor of Philosophy (Ph.D.) in Architecture.
Cracow University of Technology	1979-1984	M.Sc. Architecture <u>with DISTINCTION.</u>

University of Lodz, Poland	1978-1979	Proficiency in Polish Language <u>with DISTINCTION</u>
The Polytechnic, Ibadan, Nigeria	1976-1978	GCE A/L WAEC.
University of Cambridge, Cambridge	1976-1978	GCE A/L University of Cambridge.
Prospect High School, Ibadan	1972-1976	WASCE <u>Division One with DISTINCTION.</u>

Professional Qualifications

Certifications and Accreditations

1. Registered to practice as an architect in the Federal Republic of Nigeria by the Architects Registration Council of Nigeria – ARCON (F/1919).
2. Member, Nigerian Institute of Architects (M/2020).
3. Associate Member, Association of Polish Architects.
4. Foundation member, Association of Architectural Educators in Nigeria, AARCHES (M-AARCHES/178).
5. Member, Working Commission on Building Climatology (W71) of the International Council for Building Research Studies and Documentation (CIB).
6. Professional Member, Association for Computing Machinery (ACM).
7. Member, International Society for Education through Art (INSEA).

Computer Skills

Office and presentation software: Expert in the use of the latest versions of several word-processing, spreadsheet, bitmap editing and database software. Others include PageMaker, Publisher, PowerPoint, Photoshop, CorelDraw!, Adobe Flash and Adobe Fireworks.

Computer Aided Design, Visualization and Animation: Expert in the use of the latest versions of AutoCAD, Autodesk Architectural Desktop, 3D Studio Max, etc.

Software development: Proficient in several ‘programming languages’ including FORTRAN, BASIC, Visual BASIC, FoxPro for Windows, Microsoft Access, Microsoft FrontPage and Adobe Dreamweaver.

Other software: Proficient in the use of the latest versions of Internet and communication software, video editing software and remote access software. Proficient in the use of statistical software (SPSS-PC).

Copyrighted Commercial Software for Architects and Builders

1. Ogunsote, O. O. (1995). *SAS*: Students Affairs Secretary. Network based relational database package for distributed management of multiple schools with complex individualised programmes. Developed using FoxPro for Windows 95 platform on Novell and compatible networks. Employs Rushmore optimisation, object oriented programming and a graphical user interface to facilitate easy data management and reporting.
2. Ogunsote, O. O. (1993). *Iyanga*: Fully scaleable Postscript Type I and TrueType soft fonts containing hundreds of typefaces in several weights and variations.
3. Ogunsote, O. O. (1992). *CivilPay*: Spreadsheet based fully integrated payroll program designed for Civil Servants (Government establishments). Totally automated with data entry modules, data validation modules, comprehensive reports and autoformat features. Fully customisable.
4. Ogunsote, O. O. (1989). *Klimax*: Performs Climatic Site Analysis for all State capitals and major towns in Nigeria. Contains long-term averages of climatic data for all State capitals. Fully expandable database and formatted reports.

5. Ogunsote, O. O. (1989). *FeeS*: Calculates Consultancy fees payable to consultants in the construction industry in Nigeria. Produces reports formatted for immediate insertion in proposals and reports. Contains comprehensive help and full text of all relevant decrees and documents.

Major Educational Software Developed for Architecture and Building Students' Instruction.

1. Ogunsote, O. O. (1989). *S4S*: Spreadsheet for Solar Shading.
2. Ogunsote, O. O. (1988). *CLICOMP*: Spreadsheet for Assessment of Climatic Compatibility of Architectural Designs.
3. Ogunsote, O. O. (1987). *COLDHOT*: Multi-index thermal stress analysis for Nigerian cities.
4. Ogunsote, O. O. (1986). *SHADE*: Determines sun-shading periods for design of solar shading devices in Nigeria.
5. Ogunsote, O. O. (1985). *MOTOLA*: A FORTRAN based computer program for determination of architectural and planning design recommendations based on the Mahoney tables.
6. Ogunsote, O. O. (1985). *CLIDATA*: Database for climatic data.

Computer Consultancy

1. Director of Software, Soft Designs Computers with 4 branches in Nigeria. Engaged in computer consultancy and training and has awarded over 3,000 certificates and diplomas in data processing and computer programming, desktop publishing, computer accounting and Computer Aided Design.
2. Designed and installed local area networks in several locations.
3. Computer Consultant to several Federal institutions including the Nigerian Television Authority (NTA) Headquarters, Victoria Island, Lagos; the Nigerian College of Aviation Technology, Zaria; the National Research Institute for Chemical Technology, Basawa, Zaria, the Centre for Automotive Design and Development (CADD), Zaria and the Federal College of Agriculture, Akure.

Awards

1. Six-year full scholarship of the Federal Republic of Nigeria to study Architecture in Poland. 1978 – 1984.
2. Medal for the best Master's Thesis in the Faculty of Architecture, Cracow University of Technology, Cracow, Poland from the Dean of Faculty, Professor Stanislaw Juchnowich, July 1984.
3. Yearly prize of the Architectural Institute of Public Utilities of the Faculty of Architecture, Cracow University of Technology, Cracow, Poland. Best Third Year Design, June 1982.

Theses

1. Ogunsote, O. O. (1994). "Structural Analysis of the Computer Industry in Nigeria: Strategies for a Sustainable Market Monopoly". Master of Business Administration Thesis, Department of Business Administration, Institute of Administration, Ahmadu Bello University, Zaria.
2. Ogunsote, O. O. (1990). "Architectural Design with Nigerian Climatic Conditions in View: A Systems Approach". Doctoral Dissertation, Department of Architecture, Ahmadu Bello University, Zaria.
3. Ogunsote, O. O. (1984). "Design of the New City Centre for Zaria Urban Area in Nigeria". M.Sc. Thesis, Faculty of Architecture, Cracow University of Technology, Cracow, Poland.
